Real Estate Appraiser & Consultant

CLIENT SERVICES & VALUATION PRODUCTS

The purpose of these valuation services typically involves: purchase and sale agreements; mortgage financing; collateral evaluation; estate settlement; ad valorem taxation; mediation/arbitration; valuation of leased fee/leasehold interests; insurable value/ replacement cost studies; feasibility, marketability, and highest and best use analyses for evaluation & planning purposes.

Client services and valuation products consist of Commercial Real Estate Appraisals and Reports; due diligence/research studies; and private consultation. Computer literacy in ARGUS, Word, and Excel, enhances the analytical and reporting service to clients. Professional service has been provided to numerous financial institutions, governmental agencies, insurance companies, corporations, lawyers, estates, and private individuals.

REAL ESTATE EDUCATION

- Masters of Business Administration, Harvard University, 1972 - focus on entrepreneurship and small business management.
- Bachelors of Industrial Engineer, Syracuse University, 1967
- Extensive on-going education in business related topics, valuation sciences, investment management, and basic technical areas.

PROFESSIONAL AFFILIATIONS

- State of Maine Certified General Appraiser, License # CG 179

BUSINESS ACHIEVEMENTS IN THE APPRAISAL INDUSTRY

Since 1972, Mr. McMullin has enjoyed significant exposure to the business, legal and banking community through extensive business valuation and real estate appraisal activities throughout Maine, the northeast and other parts of the United States. Through such, he was constantly called upon to assist in resolving complicated issues regarding ownership, change of ownership, valuation, and management of a myriad of business and property types for litigation, IRS review, ownership, transfer, and financing. Mr. McMullin has obtained the highest professional appraisal accreditations; has been locally and nationally active in the expansion of the education and accreditation programs of professional organizations; has been published in a variety of national and state appraisal and legal publications; and has frequently appeared as an expert witness in court proceedings.
